### PROFESSIONAL LEARNING IN A PROFESSIONAL LEARNING COMMUNITY

December 11, 2012

**Guiding Question:** How do we collaborate to implement the MCPS 21<sup>st</sup> Model of Education and meet the five District goals using a Professional Learning Communities model (DuFour, et al)?

#### Long term targets:

- Meet the five District goals
- Implement the MCPS 21<sup>st</sup> Century Model of Education
- Integrate Montana ELA Common Core Standards across the District
- Use Professional Learning Communities model (DuFour, et al) district wide

#### Short term targets through January:

- Understand how school culture plays a crucial role in the successful implementation of a PLC
- Gain a deeper understanding of the four pillars of a Professional Learning Community: Mission, Vision, Values and Goals
- Determine how to incorporate the four pillars in MCPS and each school site
